

Investigating Our Experience in the World: A Primer on Qualitative Inquiry

By April L. Morgan

University of Tennessee Press. Paperback. Book Condition: new. BRAND NEW, Investigating Our Experience in the World: A Primer on Qualitative Inquiry, April L. Morgan, At once accessible and sophisticated, this primer introduces a set of specific principles and procedures designed to promote a deeper understanding of the nuances of human experience and reflection. The empirical, qualitative approach outlined in this book, which has been refined over the past thirty years at the University of Tennessee, uses disciplined forms of dialogue as the primary means of gathering and assessing information about human experience. Properly known as "existential-hermeneutic-phenomenology" (or simply phenomenology in everyday usage), this style of scholarly investigation has been applied to illuminate a wide range of research questions in fields such as psychology, child and family studies, marketing, nursing, communications, political science, and more. This book seeks to make this transdisciplinary tradition of research more accessible to a wider audience. "Investigating Our Experience in the World" begins with an overview of basic concepts. April L. Morgan provides clear definitions of key terms and succinctly describes how phenomenological research procedures evolved from philosophical explorations of consciousness. Although phenomenological methods are rife with philosophical underpinnings, the author remains focused on describing specific...
