

The Development of Anthroposophy Since Rudolf Steiner's Death: An Outline and Perspectives for the Future

By T. H. Meyer

SteinerBooks, Inc, United States, 2015. Paperback. Book Condition: New. Translation. 226 x 150 mm. Language: English . Brand New Book. This volume begins with Thomas Meyer's assessment of Anthroposophy's evolution since Rudolf Steiner's death and its future prospects. He offers an overview of the eighty-seven years of the development of the anthroposophic movement and the Anthroposophical Society, the worldwide organization headquartered in Dornach, Switzerland, since the death of its founder. The Society went through a very difficult and controversial period in the ten years following Steiner's death, which culminated at its Annual Meeting in 1935. The result was the expulsion from the Society of two members appointed by Rudolf Steiner to its Executive Board (Vorstand)-Ita Wegman and Elizabeth Vreede-as well as the British and Dutch branches of the Society and many important anthroposophists who opposed the expulsions. Meyer-whose many books include Rudolf Steiner's Core Mission-reveals the extraordinary concordance of four November 17 dates highly significant in the development of Anthroposophy. On November 17, 1901, the anniversary of the founding of the Theosophical Society in 1875, Marie von Sivers asked Rudolf Steiner to create an esoteric path suited to the Western mind, which set Steiner on...
