Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Good Books. Paperback. Book Condition: New. Paperback. 74 pages. Dimensions: 8.3in. x 5.3in. x 0.5in. A biblical scholar identifies basic features of the Bibles teachings on justice, treating the subject with a direct, yet almost lyrical tone. He manages a thorny, multi-faceted subject clearly and ultimately singles out the areas of theological agreement among the Bibles writers on the subject. The purpose of this Little Book is to identify some characteristic features of the Bibles teaching on justice. The Bible has had a profound impact on the development of Western culture. So exploring biblical perspectives on justice can help us appreciate some of the convictions and values that have helped shape Western political and judicial thought. Christians also regard the Bible as a uniquely important source of guidance on matters of belief and practice. What the Bible has to say about justice, therefore -- both social justice and criminal justice -- ought to be of great significance for Christian thought and action today. Yet coming to grips with biblical teaching on justice is by no means easy. Upfront, Marshall addresses the many complexities that surround justice in the Bible: the Bible seems to hold conflicting points of view; there is a huge amount of data to deal with; the world of the Bible and our present world are vastly different. Marshalls honest treatment of this subject is direct, yet almost lyrical in tone. He manages a thorny, multi-faceted subject clearly and ultimately singles out the broad areas of theological agreement among the Bibles writers. Highly stimulating. Highly inspirational. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
