This item is printed on demand - Print on Demand Neuware - Studienarbeit aus dem Jahr 2009 im Fachbereich BWL - Unternehmensführung, Management, Organisation, Note: 3, Nottingham Trent University, Sprache: Deutsch, Anmerkungen: The overall mark of this paper was only sufficient, because of the failure to include the researched data. !!! The main and the most valuable part of this paper is the comprehensive Literature Review (part score: 70% VERY GOOD), which shows previous studies related to ethical issues or concerns in international sourcing and its impact on the host country, community or society. This paper includes also a great list of references! , Abstract: Sourcing of capital by international Private Equity (PE) Companies raises many concerns which led to numerous public and academic arguments. Since PE Companies practice little disclosure about their business activities, they have been surrounded by various myths about their profitability and impact on employment. As the result they have been compared to locusts and accused of negative impact on employment. This paper, based on secondary research, aims to explore which ethical issues PE Companies and the American-based Goldman Sachs Private Equity Group (GS PEG)...
