

The genuine] full-time compulsory education: arts curriculum standards (Experimental Manuscript) (Chinese Edition)

Filesize: 2.2 MB

Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

Pub Date :2005-01 Pages: 53 Publisher: Beijing Normal University Press Art is an important part of human civilization. With the advent of the information age, art is no longer limited to the traditional theaters, cinemas, concert halls, art galleries, but more extensive access to the mass media such as television, computer, network, and become a modern daily life and learning an integral section. The growing number of humanities scholars, scientists, and engineering and technical personnel try to draw inspiration from the art, the artistic way of thinking to penetrate to their work and study. Ability to feel, imagine, create art, has become indispensable in modern society requires the talent qualities. The art of the stage of basic education curriculum increasingly toward integrated, not only cross-fusion, theater, dance, film and television music and art into the art classroom. The new course will pay more attention to the sound development of the personality of the students take full advantage of the students' life experiences and social and cultural resources, and encourage students to experience, explore and reflective learning interesting for students, a variety of content and information to expand artistic vision to improve the overall quality of the art learning more interesting and easier to make each student a sense of achievement. Art courses as required courses for students receiving compulsory education, the growth of the student's personality, emotional cultivate intelligent improvement of great value. Arts curriculum combines music, art, theater, dance, film and television, calligraphy, seal cutting art form and means of expression, and generate direct and indirect impact on students' lives, emotional, cultural literacy and scientific understanding. Arts curriculum is not art the addition of the number of...
