A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 213 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Joinings is a book which uniquely fuses a deeply female generational story with a tingling tale of the supernatural, and stirs the heart while tickling the mind. The book dwells principally on Lucy, a plucky castaway of sorts, orphaned early in life, who eventually washes up in the home of the only family she has a grandmother and a great aunt, thrown together late in life, and living in affectionate squabbling happiness in a small town in Colorado. She's always been aware of her own strangeness - a gift for divining the emotional state of people through their writing or painting - and of how this gift has alienated her from people her whole life long. But in her grandmother's house she not only finds the maternal sympathy she craves, she finds as well a woman experienced in the extra-worldly mysteries of the bequest and willing to teach her. Grace will take her under her wing, instruct her in her gift, encourage her to overcome her trauma and fall in love, and allow her to understand the ancient order to which she belongs, in a highly ritualized process called her...
