DAW BOOKS, United States, 2015. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Peacemaker is the fifteenth installment of CJ Cherryh s acclaimed Foreigner series. Civil war on the world of the atevi is finally over. And Cajeiri, son and heir of Tabini-aiji, atevi leader of the dominant Western Association, is about to celebrate his fortunate ninth birthday. Bren Cameron, brilliant human diplomat allied with Tabini, has managed to arrange a visit for Cajeiri s three special associates from the starship Phoenix -- ordinary human children who developed a bond with Cajeiri during his two years in space. After a year of political upheaval, this is a happy event: the heir is safe, the aiji is back in power, and a massive celebration is planned in the capital. The whole world is watching. But Bren Cameron has received evidence that security has been severely compromised from the aiji s high office on downward. The powerful Assassins Guild--which provides the judicial system, law enforcement, and personal protection in atevi society--is in the hands of a man who would like to turn the entire world back two centuries. Bren now knows the details of a decades-old plot that s been threaded through Guild actions since before his arrival on the continent. The enemy s best chance is to strike now, at the public celebration that is much too important and far too advanced to cancel. Bren and his associates have no choice. If they don t make the first move, the other side will. And the lives of the heir, his innocent human guests, and the entire ruling family are at stake.
