BRAND NEW, The American Meadow Garden, John Greenlee, Saxon Holt, If there's one lesson every homeowner must learn, it's this: the traditional lawn is a huge, time consuming, synthetic-chemical sucking mistake. The time has come to look for new ways to create friendly, livable spaces around our homes. In "The American Meadow Garden", ornamental grass expert John Greenlee creates a new model for homeowners and gardeners. For Greenlee, a meadow isn't a random assortment of messy, anonymous grasses. Rather, it is a shimmering mini-ecosystem, in which regionally appropriate grasses combine with colorful perennials to form a rich tapestry that is friendly to all life - with minimal input of water, time, and other scarce resources. Kids and pets can play in complete safety, and birds and butterflies flock there. A prairie style planting is a place you want to be. With decades of experience as a nurseryman and designer, John Greenlee is the perfect guide. He details all the practicalities of site preparation, plant selection, and maintenance; particularly valuable are his explanations of how ornamental grasses perform in different climates and areas.
