## RECREATED: A LOUIE HUEY CHLOE ROBERTSON MYSTERY

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can we communicate with the dead? That s the ancient question Louie Huey and Chloe Robertson set out to answer in Recreated. Their interest in after-death communication comes about when a friend receives email messages from her dead husband from a address, which contain intimate information known only to the two of them. Are they coming from her husband in the hereafter or a sick stalker? Louie and Chloe find no creditable scientific evidence that proves after-death communication is possible. But they interview dozens of ordinary people who claim they are regularly in contact with the dead. All of these people can t be lying or delusional. Or can they? Major personal complications beset their investigation, which delay its completion for 10 years. In the end, they reach a conclusion about after-death communication that is more complicated than either of them could have envisioned. Anyone who yearns for one more talk with a special lost loved one should read Recreated. That person may be trying to contact you.
