THE PSYCHOLOGY OF JESUS THE MESSIAH

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about psychology and how Christ the Son of God used psychology on a daily basis to help him in dealing with people. Remember, Jesus was all man and all God. He did not need anyone to tell him what people were like. Dr. Jesus knew the principles and psychology of human relationships and human nature and was indeed a serious student of human behavior. His practical insight and personal experience in dealing with people helped to fashion His human relationships with others. It helped Him to identify the psychological and behavior issues with mankind. The Gospels tell us of many encounters that Christ had with people. Even though Jesus was and is the greatest Counselor and Psychologist of all ages, He never had a business card, an office, web site, cell phone, computer, diploma, degree, or any written credentials; yet he knew his patients inside and out. People who met Jesus were changed in one way or the other. Many times their minds were completely renewed.their souls comforted.and their bodies healed. As you read this book, you will find out how Jesus used psychology in His daily life and that Dr. Jesus loved all people regardless of color, gender, creed, or nationality. He continues to love unconditionally. Question? Is Jesus Lord over everything? Yes. Let me reiterate. This includes psychology and psychiatry. Since He invented and created the psyche of the mind, He certainly understands the fundamental concepts of human nature and behavior from a scientific point of view and from God s point of view. Christ was and still is the greatest Therapist and Counselor that the world has ever known. Many well intentioned...
