

The Bremen Town Musicians: And Other Animal Tales from Grimm

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE BREMEN TOWN MUSICIANS: AND OTHER ANIMAL TALES FROM GRIMM

Roaring Brook Press, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Booklist PreS-Gr. 2. The creators of *The Lion and the Mouse and Other Aesop's Fables* (2000) offer another beautifully illustrated collection of tales, this time from the Brothers Grimm. Orgel has selected a group of animal stories, including "The Hare and the Hedgehog," "King of the Birds," and, of course, "The Bremen Town Musicians." Austrian by birth, Orgel translated the stories herself from German texts, and she retells them in the lively language and expert pacing of an experienced storyteller, following each selection with a short note about changes she made to the original. Kitchen contributes exquisitely detailed scenes in soft, muted colors and minute, feathery strokes, rendering remarkably expressive animals and atmospheric landscapes. A fine read-aloud for large or small groups, this will make an excellent addition to elementary classroom units about the Grimms. Publishers Weekly Starred Review The creators of *The Lion and the Mouse* deliver another handsomely illustrated collection, this time upbeat tales from the Brothers Grimm. Orgel, whose first language was German, stays faithful to the animal stories while adding fresh touches to her translations of the half dozen selections. For instance, the hedgehog wife comes up with a strategy to outwit the hare, rather than her husband, in "The Hare and the Hedgehog"; and the Bremen Town Musicians call each other by humorous names, such as "Whisker-Washer" for the cat and "Rabbit-Grabber" for the hound (Orgel explains her contributions in a brief endnote for each tale). A couple of lesser-known stories, such as "When the Birds and the Beasts Went to War" and "The Fox and the Geese," also make their way into this compilation. She often ends the tale with commentary or personal insights: "In the...
