### **Reviews**

*I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.*  
(Dayne Johns)

## IMAGINING CONSUMERS: DESIGN AND INNOVATION FROM WEDGWOOD TO CORNING

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2002. Paperback. Book Condition: New. New edition. 234 x 155 mm. Language: English . Brand New Book. This work tells the story of American consumer society from the perspective of mass-market manufacturers and retailers. It relates the trials and tribulations of china and glassware producers in their contest for the hearts of the working- and middle-class women who made up more than 80 percent of those buying mass-manufactured goods by the 1920s. Based on extensive research in untapped corporate archives, *Imagining Consumers* supplies an appraisal of the history of American business, culture, and consumerism. Case studies illuminate decision making in key firms - including the Homer Laughlin China Company, the Kohler Company and Corning Glass Works - and consider the design and development of ubiquitous lines such as Fiesta tableware and Pyrex Ovenware.
