Kober Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Bo Yin Ra takes us back before the dawn of time to reveal the origins of the great myths and rituals our ancestors created to grapple with the mysteries of existence on earth. Sweeping forward to the present day, he beckons us to regard these mythic stories and practices with renewed respect: as a means to reconnect with the celestial realm that is our soul's original home. Human beings can only reach the divine through the external world of which we are a part: this is the true meaning of magic. Every thought, word, and action in our everyday lives can become an instrument for bringing about that magical return. Sacred ceremonies, in particular, have the ability to awaken inner life and unite heaven and earth. Bo Yin Ra tells us that we are moving into a new epoch in which human beings will no longer need stories and ceremonies as vessels for those energies our distant ancestors could not unite within themselves and so had to attribute to gods. In the future, a more mature humanity will be able to recognize the essence of the eternal Spirit through direct experience.
