Author Stephen Reid outlines the specific skills needed for each writing purpose and shows the reader how to adapt a variety of topics to specific audiences and contexts. Short but essential rhetorical guidelines are followed by professional and student essays that model each of the featured purposes: Observing, Remembering, Investigating, Explaining, Evaluating, Problem-Solving, and Arguing. The Writer's Purposes enables the reader to move from descriptive and narrative writing to expository and argumentative writing.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
