Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

DEFENCE OF SOCRATES, EUTHYPHRO, CRITO

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Defence of Socrates, Euthyphro, Crito, Plato, David Gallop, These new translations present Plato's remarkable dramatization of the momentous events surrounding the trial of Socrates in 399 BC, on charges of irreligion and corrupting the young. The Euthyphro, Defence of Socrates, and Crito form a dramatic and thematic sequence, raising fundamental questions about the basis of moral, religious, legal, and political obligation. Plato explores these issues with a freshness and directness that have never been surpassed. In the Defence of Socrates, Plato seeks not only to clear his master's name, but also to defend the whole Socratic way of life, and therefore philosophy itself. The result is an oratorical masterpiece. The Euthyphro, an inquiry into the nature of piety, probes the relationship between religion and morality. The Crito discusses the citizen's obligation to the state, in the context of a life-or-death issue confronting Socrates himself - whether or not to escape from prison. David Gallop's Introduction provides a stimulating philosophical and historical analysis of these texts, complemented by useful explanatory notes and an index of names, to make this edition invaluable to readers new to these timeless classics. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
