Being accidentally drawn into the culture of ornamental fish through a genuine love of Natural History, I have, for the past ten years, given it my exclusive attention. The originality of the method I describe in the following pages I claim as my own, and it has been my earnest endeavor to speak plainly and to the point, giving the full results of my long experience, not intentionally withholding any facts or secrets that would in any way have a bearing upon the success of the business. This method has the decided advantage of applying equally to the culture of...
