TEACHING CHILDREN S LITERATURE IN AN ERA OF STANDARDS

Pearson Education (US), United States, 2014. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book. Teaching Children s Literature in an Era of Standards presents a realistic, positive, and proactive approach to using the Common Core State Standards (CCSS) and 21st Century Learning Standards as the basis for teaching children s literature in kindergarten through eighth grade, addressing the caveats and issues involved in implementing the standards. This new text encourages teachers to value children s books for both enjoyment and learning, suggests teaching strategies matched to the specific grade levels and skills defined by the CCSS, and provides examples of excellent children s books as resources. Suggestions and advice for integrating new technologies into children s literature instruction are emphasized in conjunction with traditional teaching methods. Topics include responses to literature, teaching strategies for the focused use of children s books, supporting literacy development, fostering a love of reading, and chapters devoted to the major forms and genres of children s literature: picture books, poetry, traditional literature, fantasy and science fiction, contemporary realistic fiction, historical fiction, and nonfiction.
