Get children outside with these fun activities which form the perfect introduction to trees Get children outside with this fun activity book that forms the perfect introduction to the majestic world of trees. Being able to recognize even a few trees is a skill that will stay with children for life. There are two spreads devoted to easy and hard trees to spot that shows the leaves, flowers, and fruits where appropriate, and where children can tick off the things they see. Two final pages focus on the life cycle of the oak tree and the seasons of the year in keeping with many science school curricula. When children have finished trying to find different trees, they can have fun playing with the stickers on the fold-out woodland play scene at the back.
