Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE COMPLETE SAS SURVIVAL MANUAL

Skyhorse. 1 Paperback(s), 2011. soft. Book Condition: New. While you will probably never be trained by Britain's Special Air Service (SAS), Barry Davies provides a plausible substitute with this in-depth guide to the elite force's survival tactics. A former SAS agent, Davies explains strategies for escaping from enemy captivity, evading pursuers, administering first aid, navigating without a compass, self-defense, and surviving in the wilderness. Along with 350 color illustrations, substantial sections feature additional information on identifying edible plants, manufacturing weapons for hunting, and constructing shelters. 276.
