COMPLETE DENTURES

Book Condition: New. Publisher/Verlag: Springer, Berlin | Unfortunately, many general dental practitioners say they do not enjoy constructing complete dentures, describing it as something akin to a black-art. In this book, I wanted to describe the practical procedures and the science behind many of our actions in the clinic so that successful treatment can be applied to patients. So, surprisingly for a manual, the text is analytical, with a critical discussion of pertinent references to published research. I have sought...
