

## How to Get a Ph.D.: A Handbook for Students and Their Supervisors (6th Revised edition)

---

By Estelle M. Phillips, Derek Salman Pugh

Open University Press. Paperback. Book Condition: new. BRAND NEW, How to Get a Ph.D.: A Handbook for Students and Their Supervisors (6th Revised edition), Estelle M. Phillips, Derek Salman Pugh, Amazon reviews for the previous edition: "5.0 out of 5 stars. Highly recommended." "Clear, accessible and good fun to read. Very informative and I would highly recommend this book to anyone looking for an introductory guide about doing a PhD." "5.0 out of 5 stars. Gold dust." "This excellent text is informative, entertaining, and for those students on the Long and (relatively) Lonely PhD journey, perhaps the most useful tool (apart from data, of course). It helped me and many of my fellow academics (and students) through our PhDs. Strongly recommended :)." "5.0 out of 5 stars. Great book to read." "This is a great a book to read. I feel as if I have done the Ph.D. already. It's a mind-blowing book full of tips and ideas to engage in a good research." "Really clear, easy to read and lots of useful hints and guidance. Would recommend it for anyone serious about completing their PhD." How to Get a PhD has long been regarded as the essential handbook for...

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
