Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Formula for Prosperity, J. P. Vaswani, What is prosperity? How best can we attain to it? Of what is it constituted? What are the laws which govern this highly desired state? Revered Dada J P Vaswani reinterprets prosperity for us in terms that we can relate to. He redefines prosperity as a state of abundance, contentment and self-fulfilment which includes material wealth, physical wellbeing, emotional health and spiritual welfare. Reading his magical book, you will come to realise that true wealth is not confined to bank accounts, safety vaults and fat pay cheques. It is that which ever multiplies, and never diminishes! Prosperity, Revered Dada tells us, is not just having lots of money. It is about an attitude, a mindset, that thinks in terms of abundance, instead of lack and want. As he tells us forcefully, 'Change your attitude, and you can change your life!' Revered Dada has no short cuts to offer. He has no get-rich-quick tricks to promote. His formula emphasises those timeless, universal values on which the true and lasting wealth of this world was produced in the past, and continues to be produced today - honesty, integrity, generosity and hard work. When you translate these values into deeds of daily life, you too can earn your wealth and prosperity. So go ahead, and discover true abundance and contentment with the help of Revered Dada. As always, he captures the essence of things, with his characteristic lucidity, precision, wisdom and good humour!.
