Advance Music Gmbh Mai 2011, 2011. Notenblatt. Book Condition: Neu. 304x228x10 mm. Neuware - Dieses Projekt ist das Ergebnis umfangreicher Forschung und gründlicher Ausarbeitung, das darauf abzielt, Berufsmusikern, Studenten, Lehrern und allen generell Interessierten repräsentatives Material zu den verschiedensten Stilen brasilianischer Musik zur Verfügung zu stellen. Der Schwerpunkt der Souza Lima-Playalong-Reihe liegt auf der heute in Brasilien gespielten Instrumentalmusik, die auf Elementen der modernen Improvisation beruht. Without harmony so that the harmonic instruments can practice the language of accompaniment, especially with regard to the rhythmic vocabulary of each style. 4. Without bass so that the bassists can practice their traditional task of accompaniment while working on the rhythmic but also the harmonic aspects; 5. Without drums so that the drummers can practice the rhythms characteristic of each piece of music but also create their own variations. Each book contains the scores in the form of lead sheets in four different versions: in C, Bb, Eb, and bass clef. Due to the widely defined concept of this method, it is important to point out that musicians playing transposing instruments might have to make adaptations when reading the scores. Wind instrumentalists are at liberty to carry out adjustments whenever these are called...
