Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Thomas, of the Company, in introducing Professor Charles Sumner Evans, director of the Dayton Manual Training School, said that Mr. Evans stood for a branch of education in which the N C R, together with every other industrial establish ment, was deeply interested. Mr. Evans, in a short talk. said in part: Dayton is almost asleep so far as industrial education is concerned. e Ought to have manual training in every grade throughout our schools. Nc ought also to have a technical training school, an institution for which there is a great need and a great opportunity.-Ve appreciate the efforts of the N C R Company and all other friends of manual training, but so far we have been unable to secure what we want. At present we are able to give this training only to the eighth grade and in the high school classes. If we had the funds and facilities, we could fill these classes four times over. Professor A. J. Willoughby, president of the Principals Association, also made a short address. After the factory lecture the principals held a short business session in the N C R lecture hall, at which resolutions were adopted thanking the Company for the entertainment provided. 6-S-05-6500-15280-x xo-160\$ Dayton Honors N C R Head with Great Public Reception in Which 40,000 Participate--Factory Workers Greet Him on Rctum from World Tour.
