BRAND NEW, Essentials of Capacity Management, Reginald Tomas Yu-Lee, ESSENTIALS OF CAPACITY MANAGEMENT Full of valuable tips, techniques, illustrative real-world examples, exhibits, and best practices, this handy and concise paperback will help you stay up to date on the newest thinking, strategies, developments, and technologies in capacity management. "Proper capacity management is the driving force behind outstanding corporate performance. Essentials of Capacity Management clearly describes its impact on operations, as well as how to use measurement systems and process analysis to enhance capacity usage. This is a solid foundation in capacity management for the business professional!" -Steve Bragg, Author "Although capacity management is a fundamental concern, it-like many other fundamentals-is often scanted. In fact, there's little that's more important to most companies than their ability to manage their capacity, which is simply the ability to do work. Essentials of Capacity Management does a great job of giving a quick, yet thorough, overview of the many considerations involved." -Barry J. Brinker, Editor, Guide to Cost Management (John Wiley & Sons) "This book does an excellent job of relating processes to capacity. Managers and executives will better understand that managing the effectiveness and...
