Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Fifth Gospel The mass of facts concerning Christ s life which Paul has contributed to the general gospel will surprise every Bible student who sees it compiled for the first time. In historical comprehensiveness and value it compares well with any of the four others, and fully justifies his claim to have a fifth Gospel. Chronologically, indeed, much of it was written first, and all of it completed long before John s. We have here simply set it all in order after the example of Luke, dealing with the substance of apostolic preaching and belief as he knew it. Or, in his words by the Revised Version, we have taken in hand to draw up a narrative concerning those matters which were the basis of Paul s preaching and teaching.
