----- ***** Wonderful story. (April 25, 2014) ***** This really is a lovely book that can help children learn to control their emotions, and not just react to stimuli. It is a children s book on anger management, and finding inner peace. The story is told via a lion who is constantly nagged by a very annoying crow. The lion does not allow the crow to get the best of him. I like the idea of letting children know, at a young age, that they have control over how they feel. This book is empowering. I also really enjoyed the pictures.- Dr. Oceanfront quot;Oceanfrontquot; (TOP 50 REVIEWER) -----
