## Dimensions of Interpersonal Attraction

By Akbar Hussain, Afzal Kureshi

1998. Hardcover. Book Condition: New. 270 The Book consists of Research Paper on the broad area of "International Economic Relations", written over the past five years. Geo-economics is increasingly becoming the determining factor in international relations. A coalition approach to the management of international power relations is the leitmotif of twenty-first century international diplomacy. The Book by Dr. Gautam Murthy is a timely addition to the literature on the importance on International Economic Relations. It covers a wide spectrum, including important contributions like "Sino-Indian Economic Partnership", India-ASEAN-Civilizational Ties and New Economic Partnership", "New Synergies in Indo-Australian Relations", "W.T.O. and India", and "Islamabad Summit and the SAARC Process". The Papers are well researched, and should be useful to both academics, as well as foreign policy practioners, as an academic input to policy making. About The Author:- Gautam Murthy, M. Phil. Ph.D., is an Associate Professor of Economics, Centre for Indian Ocean Studies (C.I.O.S), Osmania University, Hyderabad, India. His areas of specialization are International Economics, and South-Studies. He has done his Ph.D. in Economics from Gokhale Institute of Politics and Economics, University of Poona, on the topic "Trade and Export Instability in the ASEAN Economics". He has also served on the Faculty...
