BRINGING UP GEEKS: HOW TO PROTECT YOUR KID S CHILDHOOD IN A GROW-UP-TOO-FAST WORLD

Penguin Putnam Inc, United States, 2008. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. A breakthrough parenting book that redefines the meaning of ?geek and inspires parents to free themselves and their kids from the ?culture of cool.? In a world of superficial values, peer pressure, and out-of-control consumerism, the world needs more GEEKs: Genuine, Enthusiastic, Empowered Kids. Today s ? culture of cool? has changed the way kids grow up. Rather than enjoying innocent childhoods while developing strong, authentic characters, today s kids can become cynical?even jaded?as they absorb the dangerous messages and harmful influences of a dominant popular culture that encourages materialism, high-risk behaviors, and a state of pseudo-adulthood. Author and mother of four Marybeth Hicks suggests an alternative: bringing up geeks. In this groundbreaking book, she shows parents how they can help their children gain the enthusiasm to pursue their passions, not just the latest fashions; the confidence to resist peer pressure and destructive behaviors; the love of learning that helps them excel at school and in life; and the maturity to value family as well as friends, as well as make good moral decisions. With a foundation like that, kids will grow up to be the coolest adults.
